Docket # W-01303A-10-0448
1200 W. Washington
Phoenix, AZ 85007

Dear Arizona Corporation Commission,

My family and I were deeply concerned when we were notified that Arizona American Water was having a hearing to potentially raise water rates in our area. An 80%+ raise is not an insignificant amount and would adversely affect my family's finances and cause undue strain. Not just because our individual home rate would rise but because the Cortessa HOA cost of maintaining our community would necessarily rise also and those costs will be passed down to the Community Members. As an Active Duty Military Member in the US Navy and a native Arizonan I urge you not to allow such a drastic increase in our water rates. Please help keep Arizona and the Waddell Community a great place to live at a reasonable cost.

Sincerely yours,

Ryan C. Fowler
